## Principal's Report

### Term 4 Focus: Techno Kids

#### Carnivale 2015

Wow! It's truly quite difficult to put into words the feelings associated with yesterday's celebration of cultural diversity...Carnivale. Yesterday, the Dee Why Public School community delivered a celebration simply like no other. Carnivale 2015 was wonderful and an event of which we should be justifiably proud. As my first Carnivale, I was extremely proud and very humbled to part of this unique event.

Of course, yesterday's success was due to a committed and cohesive school community who worked seamlessly to showcase our amazing kids in the forefront of their vibrant cultures. Thank you to our school community for your support and hard work with this year's Carnivale. It's success was on the lips of all I spoke to throughout the day. Well done to our passionate Dee Why PS staff who continue support our students in all that they do.

Again, Dee Why Public School...congratulations!

### Our Caring Community

To support the Muhammad Family after their sudden and tragic loss recently, the school held the Muhammad Family Fundraiser last Wednesday, 16th September. Children wore "mufti" for a gold coin donation, and brought an additional gold coin for entry in the raffle. The canteen, Dee Why Delights, held a Pizza Day to help. Parents also supported the family via online donations and through donations made at the front office.

The fundraising has raised hundreds of dollars for the Muhammad Family in their time of need. Thank you to all who contributed to this worthy cause. If you'd still like to

contribute, please see our P&C link below:
