P&C Principal's Report – June 2021

Term 2 Focus: Public Speaking/Awesome Authors

We're Making Plans!

We're making plans!

On Wednesday, students from our Student Representative Council (SRC) participated in a student design workshop hosted by the Urban Landscape Projects (ULP) team. The school is keen to maximise the playgroup space we currently have to incorporate more equipment and natural features to be enjoyed by more students. The SRC members work-shopped ideas and designs with the ULP team, assisting the landscape designers to now go away and draw-up plans and proposals incorporating the students' ideas.

We look forward to seeing these exciting new plans in the near future!

Thank you to Margaret Garcia for organising our student workshop!

We're Doing Just Fine!

On Wednesday, Year 7 students from Cromer Campus came together with the principals from their primary schools to have a chat about all things High School. Our ex-Dee Why PS students are doing just fine. Congratulations to the boys and girls for continuing the good name of Dee Why PS during their time at Cromer Campus. Our students are thriving in their new educational environment and really enjoyed the Term 1 Camp that allowed them to get to know everyone. They are also doing well in their new high school subjects. Congratulations to Justin Hong and the Cromer Campus staff for their fine work with our students. .

We look forward to seeing how you progress in the near future, kids!

Thank you to Justin Hong and Cromer Campus for arranging our meeting!

Zone Cross Country

With we're running just fine!

The zone cross country carnival was held at John Fisher Oval Curl Curl on the 25/5/21 and it was a beautiful day for Cross Country! We were so proud of all of our students for competing in this carnival. Each student showed determination and enthusiasm to the race. It is not easy to run 2 or 3kms and our students did their very best not to give up!! I would like to thank the parents for coming and helping with the days running. We couldn't have done it without you. Another big congratulation to all our competitors! We had numerous students finish in the top twenty; Joshua Barber, Taliyah Wright, Lily Renike and Sam Buzas.

Thank you to Britta Fletcher and Nick Pye for organising!

Cross Country

The weather was just magic this week as we headed down to Lismore Reserve for our Cross Country carnivals. The boys and girls looked rather colourful in their house colours as they competed in their age races. They ran a long way and completed 2 or 3 laps of the reserve to make either a 2km or 3km distance. Most of we adults would have trouble doing that. Well done kids!

The students also sounded enthusiastic as they broke into their house war cries throughout the day!

Thank you to Britta Fletcher, Harriet Wickett and Amanda Pearson for organising our carnivals.
