## P&C Principal's Report – May 2022

### Term 2 Focus: Mathemagicians and Awesome Authors

#### Renovation Update

We're making some changes!

Our renovation works continue this term, with our Administration Wing and under library toilets making great progress. We add another couple of buildings to our collection this week, with demountable boys and girls toilets being located across the road on our grass area. The new toilets will be plumbed into mains water and waste and will allow students a more comfortable experience when playing across the road. The school and the P&C School Rebuild Sub-committee will be looking at further enhancements to the area in the near future.

Our Administration Wing and under library toilets are now up to gyprock and fibre cement sheeting stage, with electricians plumbers working overtime this week. Both works are on track for completion in the upcoming school holidays.

*Thank you to the school community for your patience!*

#### Deputy Principal

We have a new Deputy Principal!

Congratulations to Skye Surrest who has been successfully appointed to the Deputy Principal position via the Merit Selection process (subject to 10 day appeal). As a current executive member, we welcome Skye to the senior executive team and look forward to her continued outstanding contribution to our school.

*Well done on this milestone achievement in your career, Skye!*

## We're Building Something!

You know when the "porta-loos" arrive you're either at a music festival or you're building something. In conjunction with the current administration block renovation, we're remodeling our under-the-library toilets. Brand new toilets are being constructed and will be a much needed upgrade of the tired bathrooms of old. Works are due for completion this term.

*We thank staff, students and the wider community on your patience during this renovation period. The wait will be worth it!*

## Cross Country

We went running!

The weather just held on this week as we headed down to Lismore Reserve for our Cross Country carnivals. The boys and girls looked rather colourful in their house colours as they competed in their age races. They ran a long way and completed 2 or 3 laps of the reserve to make either a 2km or 3km distance. Most of we adults would have trouble doing that. Well done kids!

The students also sounded enthusiastic as they broke into their house war cries throughout the day!

*Thank you to Maria Quinn, Dan Meade, Nick Pye, Claire Horton and Kara Ritchie for organising our carnivals.*

## Upcoming Events:

*P&C Election BBQ, 21<sup>st</sup> May*

*Cinderella, 23<sup>rd</sup> May*

*Planetarium (Stage 2), 1<sup>st</sup> June*

**Mark Chaffer**  
**Principal**
