P&C Principal's Report – September 2019

Term 3 Focus: Carnivale

We've got new Bins

The Green Team would like to introduce our brand new playground bins to the school. You will now see four new bins in three locations on the playground. Each coloured bin is for a different rubbish group, to ensure we reduce our general waste amount each week.

Our yellow bin is for bottles to recycle at Return and Earn Depositories. Purple is for soft plastic, which our fantastic parent environmental committee will recycle at Woolworths. The small green bins are for food waste, which will be used in our school compost bins. Whilst the red bin is for general waste and items that can't be placed in the other bins.

We are on the way to making our school environment more sustainably friendly.

Thank you to the Green Team and their teachers for organising this environmentally friendly system and thank you to the Davidson-Hayes family for their kind financial contribution to the new bins!

Parliament House Visit

Our School Leaders visited Parliament House and The Hon. Brad Hazzard!

On Thursday, the Dee Why Public School Leaders were invited by The Hon. Brad Hazzard to visit State Parliament, along with many other primary schools in the local electorate. Minister Hazzard provided a scrumptious morning tea for the students and staff, followed by a tour of both the Legislative Assembly and the Legislative Council. He then explained how parliament worked and many exciting stories of parliament's ancient and recent histories. The students were allowed question time and the questions from the boys and girls were a lot of fun for all.

Thank you to our fantastic School Leaders for their exemplary behaviour and manners on the day!

Parent Painters

We are getting new artwork in the bathrooms!

A group of creative parents are participating in the #lovewhereyoulearn project co-ordinated by Mrs Webster and painting murals to brighten up D block. This new school funded project will bring lots of happy bright colour to make our bathrooms more friendly and inviting, so stay tuned for more exciting news.

Pictured above is Linda Gee, a Year 1 mum and artist. This shows the first sketch and final product.

Stay tuned to meet the rest of our artist team and see their work!

Zone Athletics

We went running.....in the rain!

Our Zone Athletics Carnival was running over two days this week at the Academy of Sport, Narrabeen. Even though there was plenty of rain on the second day of competition, our student performed well and stayed positive through the day. Dee Why Public School students posted some pleasing results over the two days of track and field competition, with many neighbouring school impressed by both our results and our gutsy determination. Well done kids!

Thank you to John Wyllie, Nick Pye and Joel O'Brien for supporting our students throughout this sporting experience!

Upcoming Events:

Dancesport Gala Event, 9th September

Honour Assembly, 17th September

P&C School Disco, 20th September

Carnivale 2019, 26th September

Last Day of Term, 27th September
